HELP US HELP THEM

ALL SIZES AVAILABLE!

Our Story
Serving Time is a ground-breaking program that is producing quality garments under our Doin’ Time brand, created and manufactured at the Youth Unit of Port Phillip Prison in Victoria. As part of a small business education program, our aim is to develop our personal skills, not only to reduce the risk of re-offending, but also to assist us in becoming positive and productive members of the community. Doin’ Time garments are a part of that process. They have been designed, manufactured and marketed by the inmates with enthusiasm and pride.

All profits will be donated to our chosen charities:
Kids Under Cover, White Lion and the Royal Children’s Hospital
